PROFESSIONAL SUMMARY

I am a Digital Marketing and SEO professional with practical experience in keyword research, on-page SEO, content optimization, and performance analysis. I have worked with tools like Google Analytics, Google Search Console, SEMrush, and Canva. Along with SEO, I have a frontend development background, which helps me understand website structure, page speed, and technical SEO basics. Currently pursuing MCA and looking for an opportunity to grow in the field of SEO and digital marketing.

SKILLS

SEO & Digital Marketing

- Keyword research and search intent analysis
- On-page SEO (meta tags, headings, internal linking, image optimization)
- Basic off-page SEO concepts
- Content optimization for blogs and landing pages
- Website performance analysis
- Understanding of search engine algorithms

Tools & Platforms

- Google Analytics
- Google Search Console
- SEMrush
- Canva
- ChatGPT

Web & Technical Skills

- HTML, CSS, JavaScript
- React
